

# SATview

## - Visualising SATURN Outputs

SATUGM16

Friday 4<sup>th</sup> November 2016

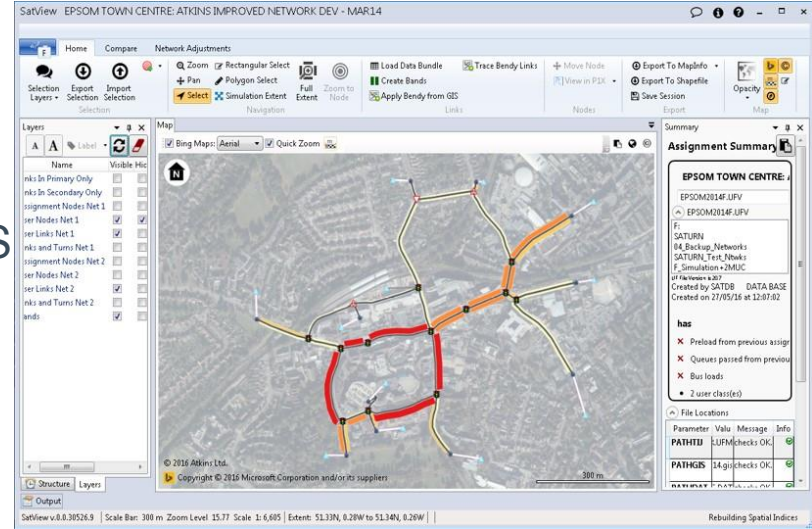

# What is SatView?

## A Powerful Visualisation Tool

- Explore scheme differences
- Rapid desktop publishing
- Automated 'network fitting' tool using MS Bing APIs
- Easy export to GIS applications
- And a whole lot more ...

## Applications:

- Beta v1.0+ Highways England RTMs
- Full v1.15/6 Available to all users

# Practical Demonstration

Luke Davis, Atkins
